*The heartwarming Cinderella-story musical full of wit and mystery*

A heartwarming Cinderella story about a witty young woman and her mysterious benefactor, this award-winning off-Broadway hit musical offers gorgeous, soaring melodies. It follows Jerusha Abbott, who has grown up in an orphanage but is sent to college by a mysterious benefactor so she may learn to be a writer. The benefactor requires just one thing - that she writes to him monthly, even though he will not respond. Her letters to him paint a moving portrait of the development of her mind and spirit, and she emerges as a fiercely independent, intelligent woman, who is destined to find love where she least expects it.
