THE PHOENIX THEATRE COMPANY GUILD

INVITES YOU AND YOUR FRIENDS TO

A jazzy new musical about the unsung heroines of World War I
Based on a true story, The Hello Girls reveals the wartime heroism of America's first women soldiers in this jazzy new musical. Fighting in France in World War I, the United States Army was having trouble with the phones. With speed essential in the dispatch of information, calls weren't getting through fast enough. Bilingual telephone operators volunteered for the front lines to help turn the tide of World War I, then returned home to fight a decades-long battle for equality and recognition. The Hello Girls tells a powerful war story you only thought you knew...
